FARMOR'S SCHOOL UNIFORM 2016-17

ADDITIONAL INFORMATION

Skirt variations

Guidance from the Department for Education is very clear that schools should not insist on a supplier for non-branded uniform items (thus allowing parents to find the most affordable option). Our hope is that by insisting on a common style of skirt (straight at the top, then pleated) parents can still buy from their preferred supplier. We will also address the issues of very short or tight skirts on girls, which we deem to be inappropriate.

Removing jumpers and jackets

Jumpers (KS3) and jackets (KS4) should be worn when students walk around the school site and when they enter classrooms for lessons. They should remain on unless the teacher has said they can be removed. If jumpers and/or jackets are removed during a lesson, they should be put back on before the student leaves the classroom.

Break and Lunchtimes

Ties, jackets and jumpers may be removed by students on the field during break and lunchtimes. This is to allow extra comfort for being active and playing games as well as protecting the uniform. It is the students' responsibility for keeping their uniform safe if they remove it and students will be expected to be dressed appropriately when they leave the field.

KS4 students wearing jumpers underneath the jackets

For extra warmth, KS4 students can wear a jumper underneath their jacket. This cannot be worn as an alternative to a jacket. Students choosing to do this need to ensure the jumper is the V-neck one described in the new KS3 uniform expectations (alternative jumpers, including old Farmor's sweatshirts, cannot be worn under jackets).

Summer Uniform

During Term 6 (June and July), 'summer uniform' will be in place. During this term, students do not need to wear a jacket or jumper but ties should still be worn.

If during Term 5 (Easter to May), the weather is particularly warm for a prolonged period of time, the school may also decide that 'summer uniform' can be worn for a designated period. If so, students and parents will be notified.

Protocol for students not wearing the correct uniform

During Morning Registration each day the tutors will examine students' uniform to make sure that it adheres to our expectations. Should the tutor think an aspect of uniform is inappropriate, the following will happen:

- The student is sent to the Pastoral Centre where a member of The Pastoral Leadership Team (PLT) will make a decision about whether the uniform item in question is acceptable.
- If PLT member decides that there has been a breach of the uniform rules, an 'infraction slip' is written (this is given to the students and recorded centrally. Parents are informed).
- The student will be given replacement uniform for an agreed period of time. If no appropriate replacement uniform is available, the infraction slip will state an agreed period of time before the student needs to rectify the uniform issue. This slip can then be shown to any teachers who challenge the student regarding their uniform during the day. If this is a first uniform infraction, no further sanction is issued.
- Should a parent feel there is an unavoidable reason for a uniform infraction on a particular day, the student should come to school with a written note from the parent explaining this. In these circumstances, an infraction slip will be allocated for an agreed reasonable period for the issue to be rectified.
- Should unauthorised uniform infractions become repetitive, this will be deemed as 'defiance' by the student and sanctioned as follows:
 - ⇒ Second offence Lunchtime detention
 - ⇒ Third offence After school detention
 - ⇒ Fourth offence or more Isolation
- Should a student not wear the correct uniform without an acceptable reason and be offered appropriate replacements but refuse to wear it, they will be isolated in the Pastoral Centre for failure to cooperate.
