GCSE Results 2016

Students have been celebrating fantastic GCSE results today. Congratulations to all of you – we are very proud.

78% of students achieved both Mathematics and English GCSEs at grades A*-C, one of the governments new headline measures. 71% of students achieved five or more GCSEs at grades A* to C including English and Mathematics. An amazing 34% achieved five or more A* or A grades.

There were some outstanding results by the school's highest attaining students. 46 students achieved five or more A*-A grades.

The following sixteen students achieved 10 or more A*/A grades:
