Dear Parent/Guardian

21st January 2016

The Science department is planning to run a day trip for a group of 30 Year 10 students to a "Science Live Event" at Birmingham Symphony Hall on **Monday 29th February 2016**.

The day comprises of engaging talks by world renowned scientists, including Professor Robert Winston, a pioneer in fertility treatment and Professor Steve Jones, an author of various books on Genetics and Evolution. Chemistry experiments will be performed live on stage using a visualizer and Dr Maggie Aderin, a star of Blue Peter, will be sharing her enthusiasm on space Science.

The intention of the day is to enhance GCSE knowledge and stimulate interest in scientific research. It will also provide an excellent insight into Science related careers.

The cost of the trip will be £32 which includes transport. We will leave school by coach at 8:15am and return at approximately 5pm. You will need to make arrangements to get your child to and from school on this day.

Students will need to wear school uniform and bring a packed lunch with a drink.

Your son/daughter has expressed a keen interest in attending this day. If you have any questions, please do not hesitate to contact me. Please complete the reply slip below with payment, and return it to the Finance Office by **Friday 29th January**. After that date, should there be more than 30 students wanting to go, names will be selected randomly.

Yours sincerely,

pp. 

Amanda Thorogood

TRIP REFERENCE CODE: AT000001/32

Name Tutor Group

I give permission for my son / daughter to attend the day trip to a "Science Live Event" at Birmingham Symphony Hall on Monday February 29th 2016.

I enclose a cheque for £32 payable to Farmors School. (Please return in a sealed envelope to the finance office)
