4th May 2016

Dear Parents,

On Wednesday May 11th we have invited the History Squad in for a hands on history session on medieval weaponry, concentrating on archery. Kevin Hicks, as the History Squad, provided active history sessions at Warwick Castle, and is an expert Bowman. Students will have sessions during the day, in their tutor groups, on the use and the manufacture of weapons and on the techniques of Medieval warfare. This has always been an enjoyable activity and also supports the work the students will be doing on medieval castles. In order to support this activity there will be a small fee of £3 to cover the costs of the visit, this needs to be handed into the finance office then the **stamped slip taken to your child's History teacher.**

We hope that you will support your child taking part in this activity and I must apologise for the short notice as this has rather crept up on us this year!

Yours Sincerely

Nicky Turner
History Department
